**DISCLOSURES:** The American Urological Association (AUA) is committed to maintaining transparency in its relationships. The AUA requires that individuals make full disclosures for themselves, their family and/or business partner of relationships, business transactions, leadership positions, presentations or publications prior to participating in AUA activities. All relevant relationships for the last 12 months should be disclosed. Records must be updated after April 1 to be considered current for the Association Year. Further information regarding the disclosures of any of the editors or editorial committee members can be obtained by emailing the Publications Department ([publications@auanet.org](mailto:publications@auanet.org)).

**DISCLAIMER:** The statements and opinions contained in the articles of *The Journal of Urology*<sup>®</sup> are solely those of the individual authors and contributors and not of the American Urological Association Education and Research, Inc. or Wolters Kluwer Health Inc. The appearance of the advertisements in *The Journal* is not a warranty, endorsement or approval of the products or services advertised or of their effectiveness, quality or safety. The content of this publication may contain discussion of off-label uses of some of the agents mentioned. Please consult the prescribing information for full disclosure of approved uses. To the extent permissible under applicable laws, no responsibility is assumed by the publisher and by the AUA for any injury and/or damage to persons or property as a result of any actual or alleged libelous statements, infringement of intellectual property or privacy rights, or products liability, whether resulting from negligence or otherwise, or from any use of operation, ideas, instructions, procedures, products or methods contained in the material therein.
