DISCLOSURES: The American Urological Association (AUA) is committed to maintaining transparency in its relationships. The AUA requires that individuals make full disclosures for themselves, their family and/or business partner of relationships, business transactions, leadership positions, presentations or publications prior to participating in AUA activities. All relevant relationships for the last 12 months should be disclosed. Records must be updated after April 1 to be considered current for the Association Year. Further information regarding the disclosures of any of the editors or editorial committee members can be obtained by emailing the Publications Department (publications@auanet.org).
